

ABDIAS NGATEU

AMAZING AFRICA
1/8 – 6/9/2020

Since his adolescence and while still completing his secondary schooling, Cameroonian artist Abdias Ngateu, became aware of his abiding interest in drawing and graphic arts. Only 14 years old, he began his formal training in graphic and decorative arts. Hungry for knowledge, he participated in artists' workshops, various training programs and artistic residencies. Endowed with a strong will, he was integrated into the very closed circle of artists of his country.
